

No. 364/2020

9th July 2020

To : All Branches

Dear Colleagues

Legal Services Department - Post

The Legal Services Department now has a limited number of staff working back at CWU HQ, as well as working from home.

Branches can now commence posting documents and correspondence direct to the Legal Services Department.

We will continue to use the following email addresses but branches should now post large bundles of documents direct to CWU HQ.

personalinjury@cwu.org

employmentlaw@cwu.org

Branches should note that the department is still operating a limited service, with reduced resources during this period. Your patience is appreciated.

If you have any further enquiries regarding the above then please contact Tony Rupa, Head of Legal Services, via email trupa@cwu.org

Yours sincerely

Tony Rupa
HEAD OF LEGAL SERVICES
